Dear Sir,  
with great pride and pleasure I want to inform you that my daughter Anushka has received offer letter from her dream college ie. University of British Columbia, Vancouver school of economics in her preferred choice of Program - Bachelor of International Economics. I express my gratitude and heartfelt thanks to the entire team of Edmatrix and especially to Dr Rajesh Singha for his able guidance and immense hard work in helping Anushka realize her dream. He not only helped us in the application process but also helped us in identifying Anushka's strengths and helped us build up her profile along it.
